Choose a section, set your intention, and use the codes with a steady mind.

# How To Use These Healing Codes

Begin with one clear intention. Find the area that speaks to your current need, read the listed healing property, then use the code slowly and calmly as part of a quiet moment of focus. Let the guide support reflection, prayer, journaling or any grounded practice that helps you feel centred again.

| 13 20 999  | to remove moles on the body (please note--if a mole is cancerous or something else than a common mole this code won't work. It is imperative to have the right diagnosis that this really IS a common mole by a physician before using this code. There is no time to delay if there is a possibility of a diagnosis of skin cancer, particularly if it is melanoma. Have it checked!) |
